

## Limited Warranty Statement: ndd Easyone ProLAB

### 1.1

Intermedical (UK) Ltd shall warrant all Products, which are the subject of this Agreement, for a period of twelve months from the official shipping date.

### 1.2

Intermedical (UK) Ltd is responsible for providing the warranty for the above mentioned product for the United Kingdom and Republic of Ireland.

### 1.3

The warranty shall not apply to the computers, nor to any part of the Product that is defective in reason of its normal life cycle (for example, the warranty shall not apply to the electrochemical cells).

### 1.4

The warranty is void in the event of:

- misuse or abuse,
- alteration or modification by the Distributor or any third party
- non application of the accepted technical rules and the Manufacturer's recommendations,
- repairs or maintenance operations non authorized by the Manufacturer,
- presence of peripheral equipment installed in the environment of the Product, whether it is connected to the Product or otherwise,
- chemicals, water spillage or other contamination, or
- electrical and/or electromagnetic and/or radio-electric and/or radiation influences of any inappropriate nature.

### 11.5

Upon adequate demonstration of compliance with the warranty terms and return of the affected Product to the Distributor within the warranty period, freight and insurance paid, the Distributor shall repair or replace the affected Product at its option and return it to the Customer's official office, freight and insurance paid.
